Blue Devils Go To Stuart Tonight

Coach Webb Pell is warning his score-happy Pahokee Blue Devils against over-confidence as he takes them to Stuart this Friday night to engage the Tigers in a Suncoast Conference game.

Although the Tigers have yet to chalk up their first win this season, they have proved themselves a scrappy, dauntless aggregation in the face of crippling injuries and a constant lack of reserve strength. Pell was impressed by the way they made the powerful Clewiston team work to gain its 20-6 win over Stuart last week.

Following heavy scrimmages the first of the week, the Blue Devils tapered off with lighter drills Wednesday and are expected to be in top shape for the Stuart game except for End Donald Waddell who injured an ankle in scrimmage and may not be able to start.

Since its stage-fright performance in the opener with Clewiston, the green Pahokee team, inspired by the running ability of two powerful halfbacks, Buford Justice and Hal Rosenberg, and the facile leadership of Quarterback Robert Goodson, has developed rapidly, with a line that is improving, both on the offensive and defensive, with every game. Local fans believe it would indeed be a miracle (continued on page 5)

Commerce Body In Executive Meeting

At a meeting of the executive board of the Pahokee Chamber of Commerce Monday night Ellsworth Keen gave a report on the proposed project of filling in the abandoned drainage canal bordering Lake Avenue south of Ixora Park. Keen said the cost of purchasing dirt, rock or other material for use as a fill is prohibitive and recommended that the project be temporarily held up until donations of surplus dirt accumulated on some local drainage job are available. The board decided to make an effort to get the row of stumps separating the canal and the street removed and have everything ready to carry through the fill project at a later date.

President Leonard Dobrow appointed Curtis Chase to continue the work of trying to get Railway Express delivery service reinstated in the Pahokee-Canal Point area. Julius Moon was appointed to work with other civic (continued on page 8)

Mr. & Mrs. M. I. Keen To Nassau Lions Meet

Mr. and Mrs. M. I. Keen will leave this Friday for Nassau, B. L. to attend the charter night program of the Nassau Lions Club which is being organized under the sponsorship of the Miami Beach Lions Club. Mr. Keen, past president of the Pahokee Lions Club, will be among the 150 South Florida Lions who will be present. He and Mrs. Keen will return home Sunday night.

Incumbents Named In Trustee Election

In the school trustee election held in Palm Beach county Tuesday the following incumbents were re-elected: A. R. Harrington, James Nemec and L. W. Myers. Mr. Harrington had no opposition and received a county-wide vote of 1430. L. W. Myers received 975 and Mrs. Virginia Eggstrom, his opponent, received 806 votes. In other contest James Nemec polled 1002 votes to win over three opponents: Mrs. Esther Ager 194, G. H. Moore 444, Beatrice Propp 334.

SRD Member Visits Flooded Lake Area

At the Thursday luncheon meeting of the Pahokee Rotary Club a letter was read from Thomas B. Manuel of Fort Lauderdale, member of the State Road Department, in which Manuel recognized the resolution, calling on the SRD for assistance to correct the "concrete highway" Conners Highway between Canal Point and Twenty-Mile Bend to be flooded almost every fall season, which was adopted by the Rotary Club last week and is being adopted by other local civic groups.

Manuel said in his letter if this stretch of highway is given high priority by the Palm Beach County Board of Commission at the SRD budget hearings in early January, 1954, it will be given every consideration by the State Road Department.

Commissioner Paul Rardin, present at the meeting, said this stretch of Conners Highway already is on the County Commission's high priority list and he saw no reason why the Commission would not again give it high priority at the January budget hearing. He also stated that Manuel during an inspection trip to the Glades area gave assurances the flooded highway would be repaired and opened to traffic just as soon as the flood waters recede to the point where SRD crews can work on the washed (continued on page 8)

Uptegrove Quartet To Present Concert

The Uptegrove Quartet will present a gospel singing concert at the Canal Point school auditorium on the night of Nov. 14. Many new numbers have been placed on the program by the group.

Making up the quartet are the following: First tenor, Elmer (Babe) Uptegrove; Dr. Gordon Schuetler of Pahokee, a new addition to the group singing base. He is proving to be one of the best bass singers in the business. Other members include: Osie Uptegrove of Canal Point and Billie Mathis of Belle Glade. Junior Martin of Canal Point is the pianist.

On Sunday, Nov. 15, the Quartet will go to Lakeland, Fla., for a concert. Early in January the American Legion Auxiliary will sponsor their appearance in Naples on the west coast of Florida.

Chamberlains Buy Chandler Sundry

Chandler's Sundry Store stock and fixtures were sold this week to Mr. and Mrs. Robert F. Chamberlain who plan to open the store for business around the end of November. A complete remodeling and refurbishing job is under way and Mr. Chamberlain said the store will present an entirely new appearance when it is opened for business.

When opening day comes the place will be known as "Bob & Jenny's."

Carpenters are busy this week putting in a beautiful celotex ceiling. An asbestos tile floor of attractive colors will be installed. The store will be repainted throughout, including all fixtures. The store will feature gifts and sundries. A soda fountain will be maintained with cold sandwiches, the only hot sandwiches being "hot dogs."

"Our store will be headquarters for Sealtest ice cream," Mr. Chamberlain said. "We are planning on a full and complete new stock of merchandise. Of course, we have some stock already, such as alarm clocks, thermos jugs and bottles, flash lights, etc., on which we will offer tremendous bargains when we open for business. All perishable stock will be completely replaced before we open the doors," Mr. Chamberlain concluded.

22 Awards Given Canal Pt. Winners

Twenty-two Canal Point children were awarded prizes for wearing outstanding costumes in the parade at the Halloween carnival held on the school grounds under the auspices of the Canal Point Lions Club. They included Mary Frances Barfield, Leon Doris Sims, Sarah Wilson and Sonny Carver, preschool age; Gail Reeves, Walter Young, Loretta Barfield and Ronald Bracewell, first and second grades; Spooner Haggens, Janet H. Harrington, Billy Maxson and Amy Young, third and fourth grades; Sue Chastain, Judy Howard, Judy Pugh, Glenda Sears and Naomi Elliott, fifth and sixth grades; Delliah Strayer, Woody Strayer, Roy Frierson, Doodles Veal and Gwyndolyn Bracewell, seventh and eighth grades.

In the king and queen contest, with all grades sponsoring candidates, the first grade couple, Rickie Parker and Fay Elliott, won the honorary titles with 13,668 votes. Donald Sellers and Judy Pugh, sixth grade candidates, were the runners-up, with 4,828 votes. The total number of votes cast in the contest was 32,667, the entire proceeds at a penny a vote for the benefit of the school.

Delmar L. Hooks, president of the Lions Club, was general chairman in charge of arrangements for the carnival. Paul Rardin acted as master of ceremonies during the costume parade and the coronation ceremony during which Kenneth (Smiley) Williamson, guitarist and harmonica player, served as court musician. Brooks Henderson, assisted by Mrs. A. R. Chastain, was in charge of the king and queen contest.

\$300 Collected For Crippled Children

The Pahokee BPOE Lodge 1638 collected more than \$300 for the benefit of the Harry-Anna Crippled Children's Home at Umatilla through its sponsorship of the Halloween masquerade ball in the Elks Hall Saturday night, according to Leonard Dobrow who was in charge of ticket sales.

Costume prizes were awarded to Mrs. Hugh Branch for her impersonation of the comic strip character, Madame Fou Fou, and to Mr. Dobrow for his black face impersonation.

Teacherage Will Be Razed, Board Says

The following story out of Wednesday's Palm Beach Post will be of interest locally:

The days of the Canal Point Teacherage are numbered—as they have often been in the past.

The two-story rambling wooden structure was built many years ago when housing was difficult to obtain at Canal Point. A school board of that day had it built as an inducement for teachers to accept appointments in the area.

But those days long since have passed and the School Board, meeting here Tuesday afternoon, on motion of Board Member A. Q. Howell of Canal Point voted to advertise for bids to have it razed. Men with experience in such work should be employed so no one will be hurt, he said.

The Canal Point PTA asked that the building be disposed of, asking that if by sale the money be used for needed equipment; if by razing the good lumber to be used for a one-room addition to the janitor's house. The house is school-owned and officials agreed, is in need of improvement.

Disposal of the teacherage has been before various School Boards for years. Board Member Ralph Kettler of West Palm Beach reminded Board Chairman George W. Slaton, West Palm Beach agreed the subject has been on a virtual merry-go-round for years.

But all hope for—and anticipate—definite action this time.

Road 27 Ranch Is Sold For \$125,000

Sale of the Circle E. ranch in Palm Beach county for a consideration of \$125,000 was reported Saturday by William H. Groner of Groner-Youngerman, Miami real estate and investment firm according to an article in the Miami Herald.

The Circle E. formerly was owned by E. B. Elliott, Miami outdoor advertising man. It was purchased by the VERL Corp., whose president is Lawrence Hoffman, son of Max Hoffman, president of the Ludman Corp.

The ranch contains 2,748 acres, most of which is fenced and cross-fenced, ditched, diked and improved with pump houses and grass. It lies along the west side of U. S. Highway No. 27, the route from Miami to South Bay on Lake Okechobee.

Pahokee Carnival Attracts 1500

More than 1,500 persons attended the Halloween carnival sponsored by the Pahokee Parent-Teacher Association on the school grounds Saturday night.

One of the highlights of the carnival was the crowning of Donald Clifton and Virginia Cuberson as carnival king and queen, with Wayne Burdeshaw, Student Council president, acting as master of ceremonies. The eighth grade winners received 19,104 votes in the Student Council's contest for the honorary titles. Runners-up were the ninth grade candidates, Lory Rockwell and Earl Meredith, 16,541 votes; and the seventh grade candidates, Cindy Friend and Kenneth McIntosh, 16,500. The Student Council collected \$677 in the contest, half of which goes to PTA.

Another outstanding attraction at the carnival was the costume parade with nearly 300 children taking part. Two groups of the children, Mrs. Myrtle Johnson's fourth grade and Mrs. Clara Burdeshaw's fourth grade, were awarded cash prizes for having 75 percent or more of the pupils in their home room taking part in the parade.

The various grades and school groups, including the Future Farmers of American and the Student Council, participated in the parade. (continued on page 5)

Parade Planned Before B. G. Game

The Pahokee High School Student Council at a meeting this week, with President Wayne Burdeshaw presiding, made plans to sponsor a student pre-game parade through the streets of Pahokee in the afternoon prior to the annual football classic between the Pahokee Blue Devils and the Belle Glade Rams on the Belle Glade field Thanksgiving Eve, Nov. 25.

Bonnie Meeks was appointed in charge of the purchase of Student Council pins for the council officers.

It was reported the Council's recent contest to select a king and queen for the PTA Halloween carnival netted \$677.37, the largest amount ever collected in this type of contest. All of this sum will be used for the benefit of the school, one-half to be turned over to the Parent-Teacher Association for disbursement through PTA school projects.

Five Circles Will Conduct Meetings

Pahokee PTA Counts Cash From Carnival

With still two booths to report receipts on Wednesday, the Pahokee Parent-Teacher Association estimated it would clear approximately \$700 from the Halloween Carnival is sponsored on the school grounds Saturday night.

The Junior Class received first prize, a cash award of \$25, for netting the largest sum, \$57.00, among the school classes sponsoring booths at the carnival. Second prize went to the combined fifth grade groups and third place was won by Miss Elizabeth Caraway's fourth grade.

All school groups participating in the costume parade were awarded cash prizes, ranging from \$2 to \$7.50, depending on the percentage of children in the group who marched in the parade. Only two groups, Mrs. Myrtle Johnson's second grade and Mrs. Clara Maurer's fourth grade, received the highest \$7.50 award for having 75 percent or more of children in the parade.

The PTA carnival chairman, James W. Vann, and his committee wish to thank all for the community-wide effort that was made to assure success for the carnival,

with special recognition to the Student Council for its outstanding king and queen contest and to Ernest Parnell for his services in installing lighting facilities.

Elks Initiate Class Of Six

A class of six candidates was initiated into the Benevolent and Protective Order of Elks during the official visit of A. E. Kirchner of Belle Glade, district deputy grand exalted ruler, to the Pahokee Lodge No. 1638. Included in the class were Joe Hatton, Jr., Ellis Wilkinson, W. S. Plumer, H. R. Stewart, Robert Burke and Bob McQuinn. Jess M. Elliott, exalted ruler of the Pahokee lodge, and his staff of officers were in charge of the initiation ceremony.

Among the 125 delegates from various South Florida Elk lodges attending were representatives from Lake Worth, Fort Pierce, Stuart, West Palm Beach, Fort Lauderdale, Coral Gables, Homestead, Belle Glade, Clewiston and Fort Myers. W. A. Wall of West Palm Beach, grand esteemed royal knight, were among the guests introduced by Rep. B. Elliott. Thadd Whidden was in charge of the barbecue supper.

Canal Point Lions Seek Road Repair

The Canal Point Lions Club at a dinner meeting Monday night adopted a resolution strongly urging the State Road Department to start immediate action on repair of Conners Highway which has been closed to traffic between Canal Point and Twenty-mile Bend since Oct. 9 when the roadbed was washed out in several places. Among other inconveniences, the closing of this highway has disrupted regular mail and bus schedules in the Pahokee-Canal Point area. The resolution also urged SRD to take steps for banking US 441 at "Dead Man's Curve" between Pahokee and Belle Glade, scene of several traffic accident fatalities.

The club made plans for its annual father and son banquet to be held in the Community Park building the evening of Nov. 16. Leonard Wall, Lions district governor, will be invited to be guest speaker at the banquet.

President Delmar Hooks reported proceeds from the Halloween carnival the club sponsored on the school grounds totaled nearly \$450 and the club is turning all the carnival proceeds over to the Canal Point Parent-Teacher Association for school use.

A. Q. Howell, Canal Point member of the Palm Beach County Board of Public Instruction, was speaker. Introduced by A. R. Harrington, he explained the special election held Tuesday for school trustee and millage.

"Industry is on the move," states A. D. Davis, chairman of the State Industrial Council and head of Winn and Lovett organization, and points out that the trend is toward Florida and the South.

Europe is ahead of America in uses for aluminum, judging from a publication by Aluminum, Ltd. The metal is being used for canning fish and fish products, for milk containers, preserves, squeeze tubes of mustard and many other products.

The Board of Directors of Minute Maid Corporation declared a quarterly dividend of 10c per share to stockholders of Nov. 20, it was officially announced last week.

Births

Mr. and Mrs. Roy Brantley (Rosalie Dixon) of Canal Point announce the birth of a son, David Lynn, at the Clewiston hospital, Oct. 24.

Mr. and Mrs. Colvin Herring (Tommie Lee Usher) of Pahokee announce the birth of a daughter, Tommie Elaine, at the Everglades Memorial Hospital, Oct. 29. The father is stationed by the U. S. Air Force in Colorado.

Mr. and Mrs. Gerald A. Bass (Esther Brewer) of Pahokee announce the birth of a son, Gerald Arnold, Jr., at the Everglades Memorial Hospital, Oct. 28.

Mr. and Mrs. E. B. Wiseman of Belle Glade announce the birth of a son, Charles Beachard, at the Everglades Memorial Hospital, Nov. 1.

Canal Point Baptist Church Pastor Joe Clements and Mrs. Clements announce the arrival of a daughter at Good Samaritan hospital on October 29. She has been named Carol Joanne. Mother and daughter were brought to their Canal Point home on Tuesday of this week and are reported to be "doing fine."

Cinematic Chatter

By Malcolm Millar

Hello everybody! Movie glamour girl Joanne Dru claims she's always delighted to draw a married man as a co-star because, "Married men can kiss rings around Hollywood bachelor boys." Joanne has crushed lips with numerous married men and single gents during her screen career and contends that the smooches that send are delivered by the family man. Joanne claims that the kiss she got from lanky, monosyllabic Jimmy Stewart in a recent picture which they co-starred in was something she will long remember. "I wasn't expecting such a photographic smack," says the actress. "A few years ago before Jimmy was married I made a screen test with him and the kiss he bestowed was interesting but far from sensational." Hollywood bachelor actors, continues Joanne, far too often are inclined to snuff their kisses. "I

could name a couple of the boys who are definitely known as hot stuff in the pages of the fan magazines," says the actress. "I've smooched both of them in movie scenes and one of them kisses with all the feeling of a halfpint, while the other's lip pressings wouldn't send a gal as far as the corner grocery store." Well, Joanne dear, if you should ever happen around our little city I believe you would find we have some simple smoochers, dike-trained, who could "send" you right out into the middle of Lake Okeechobee. See you at the movies—Mal.

FLORIDA POWER & LIGHT COMPANY

Billy Mitchell New Pahokee Lion

Billy Mitchell of the McCurdy-Mitchell Supply Company was received as a new member of the Pahokee Lions Club at the Tuesday luncheon meeting, with President Curtis Chase presiding. Frank Rozelle was in charge of the induction ceremony.

It was reported the booth which the club sponsored at the PTA carnival netted \$47.95, all of which was turned over to PTA for school use. Announcement was made club members will meet jointly with the Rotarians at their Thursday luncheon to hear a talk by the Rev. Shirley Green of Washington, D. C., who recently completed a study of the migrant labor situation in the Glades area.

Coach Webb Pell showed pictures taken during the football game between his Pahokee High Blue Devils and the Seacrest Seahawks on Lair Field the night of Oct. 10. He also gave a short talk on "The Value of Physical Education in Public Schools."

Junior Red Cross Drive For 15 Days

Students all over the county this week will undertake a 15-day drive for the Junior Red Cross membership enrollment program. Begun Nov. 1 the campaign for new members will end the 15th.

Spearheaded by five councils from various sections of the county, the Junior Red Cross will try to top its 1953 enrollment which was over 21,000, said Mrs. Muriel Pringle, county Red Cross JRC chairman.

The five pupils who will head the JRC councils are: Jane Norris, Belle Glade High, teenagers; Kathy Wilson, Pahokee school; Carolyn Whittington, Southbore Elementary, West Palm Beach; white schools; Geraldine Waldron, Roosevelt High School, and Bernice Pompey, Everglades Vocational, negro schools.

JRC's program is three-fold said Mrs. Pringle, and covers local, international and national activities. In addition the county meets jointly with Dade and Broward counties for an annual three day leadership training center. Local delegates also go to the southern states leadership meeting and to the national convention each year.

Within the county, the JRC's chief project is making tray favors—over 2,000 a month—for all hospitals of the county to be used on meal trays of patients on special holidays. The students also turn their efforts and skills toward making comfort and recreation articles for veterans at two south Florida hospitals.

Arranging a number of small gift boxes for foreign students has become a primary activity. These gifts of educational supplies and health articles such as soap and wash clothes go to school children all over the world.

Palm Beach High's outstanding project has grown each year. Students there spend their efforts on a giant school chest which contains a good supply of study articles as well as sport and recreational equipment.

3 New Members In Woman's Club

The Pahokee Woman's Club at the first business luncheon of the fall season, held in the clubhouse Wednesday, welcomed Mrs. John Hatton, Mrs. George Arsenaux and Mrs. William S. Plumer as new members. The group voted if members miss three meetings without acceptable excuses they will be dropped from the membership roll.

Mrs. Don Hillier, president, named on standing committees for the coming year: Program, Mrs. Frank Friend and Mrs. B. Elliott; house, Mrs. Sam McKinstry, Sr., and Mrs. Robert J. Schroder; membership, Mrs. Blake Dunson, Mrs. Sheffield Cobia and Mrs. Frank Rozelle; hospitality, Mrs. Louis Davis, Mrs. Lewis Friend and Mrs. Robert Apelgren; finance, Mrs. Robert Hatton, Mrs. Rupert Mock and Mrs. John Wilson; historian, Mrs. J. R. York.

Mrs. Frank Friend announced the guest speaker at the club's program meeting Nov. 11 will be the Rev. Shirley Green of Washington, D. C., who recently took part in a study of the migrant labor situation in the Glades area. Luncheon hostesses at this program meeting will be Mrs. William Moss, Mrs. Robert Apelgren and Mrs. Robert Hatton.

Mrs. Rembert A. Guy and Mrs. J. P. Halbrook were introduced as guests. Mrs. B. Elliott, Mrs. E. C. Watson, Mrs. J. R. York and Mrs. Annie Merle Carter were on the committee in charge of luncheon arrangements.

Stacy - Rice

Mrs. Molly Stacy of Clewiston has announced the engagement of her daughter, Letha, to Edwin R. Rice, son of Mrs. Pauline Rice, of Pahokee.

The bride-elect is a graduate of the Belle Glade High School and at present is employed by the City of Belle Glade.

Mr. Rice graduated from Pahokee High School and received a BS degree in agriculture from the University of Florida. He is now employed by the U. S. Department of Agriculture at the Federal Sugar Cane Breeding Station in Canal Point.

The couple are making plans for a February wedding.

663 Members Join Pahokee PTA Group

The membership of the Pahokee Parent-Teacher Association now totals 663 members and, although the annual membership drive officially ended Oct. 31, the membership committee will remain active until the goal of 700 is reached, according to Mrs. Thomas Elliott chairman.

Six school rooms were awarded \$5 cash prizes by PTA for having both parents of all children on the 1953-54 PTA membership roll. These groups were Mrs. Myrtle Johnson's Second Grade, Mrs. Elsie Sims' Sixth Grade, Mrs. Tommie Lee DuBoise's Sixth Grade, Mrs. Clara Maurer's Fourth Grade, Mrs. Kathryn Cunningham's Second Grade and Mrs. Cleo Douthitt's Third Grade. Room mothers and teacher cooperated with the membership committee in the drive for perfect PTA membership records in these six groups, Mrs. Elliott said.

Slonaker Will Go To State PTA Meet

P. A. Slonaker, president of the Canal Point Parent-Teacher Association, and Mrs. Peggy Tsalkicis, Canal Point School teacher, will represent the Canal Point PTA at the State PTA Convention in Daytona Beach Nov. 17, according to announcement made at the November meeting of the Canal Point PTA in the school auditorium Monday night.

Delmar L. Hooks, president of the Canal Point Lions Club and chairman of the Halloween carnival held on the school grounds by the Lions, turned over to PTA \$447.93, proceeds from the carnival which are to be used by PTA for the benefit of the school.

Plans were made to sponsor a public musical show, featuring the singing of the Upthegrove Quartet of the Glades area and another

quartet from Miami, this show to be presented in the school auditorium the night of Nov. 14, with admission for adults, a dollar and for students, 35 cents.

The fourth grade room, with 63 percent of the parents present at the meeting, won the monthly attendance award.

The program, "Group Living," was presented by President Slonaker who showed two films "Farewell to Childhood" and "The Outsider."

Hostesses during the serving of refreshments at the conclusion of the meeting were Mrs. Willie Veal, Mrs. Melvin Pugh and Mrs. Bill Elliott.

Guests at some of Miami Beach swank hotels are finding personalized matchbooks bearing their name. These are printed up daily by the management and presented with their compliments.

...but more farm telephones

Since the end of World War II, rural telephone construction has surged ahead at a record-breaking pace. Today over half a million rural phones are served by Southern Bell, and new ones are going in at the rate of 6,500 a month.

This record of rural progress is even more amazing when you consider that the South's farm population has actually decreased, largely due to mechanized and more efficient farming methods.

But farmers need and use the telephone more than ever before. That's why providing them more and better service is one of our most important jobs.

Fellowship Worker To Get Recognition

The Pahokee Methodist Woman's Society of Christian Service at a meeting Monday night voted to present an honorary WSCS youth membership pin to the outstanding Methodist Youth Fellowship worker in the church, the honoree to be selected preferably from the Senior MYF group. Mrs. William Moss, finance chairman, will be in charge of this project.

Mrs. R. F. Hurt, Mrs. Sarah Thomas and Mrs. Moss were named on a committee to organize a Friendship Circle of Senior MYF girls at an open meeting and covered-dish supper in the church Nov. 10 at 6 p. m.

Mrs. Arch Blakey, president, called upon circle chairman for activity reports. Mrs. Leon Spooner reported WSCS netted \$20 from the booth it sponsored at the Halloween carnival, also, that the

Gertrude Shirley Circle is preparing to publish a 1954 birthday calendar as a fund-raising project. Named as hostesses at the November circle meetings were Mrs. O. B. McClure, Margery Lair Circle; Mrs. Arch Blakey, Mabel Simonson Circle; Mrs. A. D. Beverly, Gertrude Shirley Circle; Mrs. R. L. Brooks, Miriam Circle.

Mrs. Dorsey Pugh and Mrs. Robert Phillips were introduced as new members. The traveling attendance pin went to the Margery Lair Circle for November.

On the program a forum on "Alcohol" was conducted by Mrs. Frank Friend, assisted by Mrs. R. B. Simonson, Mrs. J. R. York, Mrs. Spooner, Mrs. Hurt and Mrs. Blakey. Mrs. A. D. Beverly gave the devotionals.

Mrs. Susie Renfro and Mrs. W. A. Howell acted as hostesses for the Mabel Simonson Circle during the serving of refreshments at the close of the meeting.

dent Council cooperated with PTA by sponsoring booths or concessions were sponsored by the Beta Sigma Phi Sorority, the Pahokee Business and Professional Woman's Club, the Rotary Club, the Lions Club, BPOE Lodge 1638, the Methodist Woman's Society of Christian Service, American Legion Post 80, the Band-Parents Association, and the Woman's Club.

The carnival was under the direction of James W. Vann and his committee, assisted by room mothers and teachers.

Warren Repper Has Birthday Party

Mrs. J. W. Repper entertained her son, Warren, on his birthday with a party at her home Oct. 30. Games were enjoyed throughout the afternoon and prizes were won by several.

Refreshments of birthday cake, ice cream, cookies and punch were served.

Mrs. Carl Crawford assisted Mrs. Repper in entertaining. Those enjoying the occasion were members of Warren's class, the 7th grade of Canal Point school.

With chilly weather just around the corner, now is the time to have your heating equipment checked and ready for the first cold snap, suggests the Plumbing & Heating Industries Bureau.

Blue Devils Go To—

(continued from page 1)
if the Tigers upset the fired-up Blue Devils.

If Waddell isn't able to start, Pell plans to replace him with Jon Pope at left end, otherwise there will be no change in the regular first string line-up. The team will be accompanied to Stuart by the Pahokee High School Band and a large group of fans.

At the start of the Okeechobee game last Friday night it certainly looked as if Coach Pell had good reason to be worried about the outcome when the undefeated Brahmas started off like a bunch of wild bulls, scoring a touchdown on the fifth play of the game when Fullback Marvin Williams plunged over from the Pahokee two following a 64-yard drive and then passed to Raulerson for the extra point.

But that was all the Brahmas as the Blue Devils started breathing that scoring fire and there was no holding them from then on. Buford Justice, half sick with a cold, snapped out of it long enough in the first half to score TD's on sensational 44, 40, 29 and 88-yard runs and Hal Rosenberg sprinted 33 yards for another TD early in the second quarter just for good measure to make the score Pahokee, 33; Okeechobee, 7 at the end of the half.

Justice was then "put to bed" and Rosenberg was used only on defense during the second half which saw the Blue Devils pushing on to score two more touchdowns in the third quarter when Fullback

George Mills charged across the goal line from a yard away and later Jimmy Schoepel cut through six yards for the final score of the game.

When the shouting was all over, the Blue Devils had done a good job in throwing the bulls, 46-7.

Mission Book To Be Studied By WSCS

The Canal Point Methodist Woman's Society of Christian Service at a meeting Tuesday afternoon made plans for a study of the mission book, "That the World May Know," the study session to be held in the Sunday School building Nov. 10, starting at 10 a. m., with Mrs. Boyd Vorhees, secretary of missionary education, in charge.

The group voted to renew its subscription for Readers Digest, the magazine to be sent directly to the Everglades Memorial Hospital, Mrs. Donald Kepp reported WSCS netted \$45 from its recent bake sale.

The group completed plans for a basket dinner, honoring the district superintendent, Dr. Claire Cotton. The dinner will be held Sunday, Nov. 8, following the morning worship service when Dr. Cotton will be guest speaker.

Mrs. Frank Wilson presented the program, "Feeding the Multitude." She was assisted by Mrs. Bill Johnson. Mrs. J. P. Parker, president, presided at the business. Mrs. Boyd Vorhees was hostess during the serving of refreshments, and Mrs. Mamie Maxson was introduced as a guest.

Future Farmer Net \$36 For PTA

The Pahokee Chapter, Future Farmers of America, netted \$36.06 at the cake walk booth it sponsored at the PTA carnival, one-half of this sum to be turned over to PTA, according to a report given at the chapter meeting Monday night.

Wayne Burdeshaw was named to represent the Pahokee FFA boys at the meeting being called by H. L. Speer, assistant County agricultural agent, in the Belle Glade city hall at 4 p. m., Nov. 10, to discuss plans for a proposed one big fair for the entire Glades area instead of each town holding smaller fairs, as has been the custom in the past.

It was announced cabinet-making materials donated to the chapter by James T. Holden will be sold to members at half-price; also the chapter is sponsoring the sale of Christmas greeting cards as a

fundraising project.

James Usher won the FFA jacket in the annual membership drawing that took place at the meeting, and the door prize went to Alton Peacock.

The program of entertainment featured an Indian arm wrestling contest in which Bobby Bush and Darryl Davis tied for first place. An educational film, "Rabies Can Be Controlled," was shown by Eugene Pearce.

HOLDS REVIVAL

The Rev. W. Hal Hunter is conducting a week of revival meetings at the Miami Gardens Mission in South Hollywood, Fla. During his absence James L. Merrell, lay preacher, delivered the sermon during the church last Sunday and will again preach during the morning worship hour this coming Sunday.

You're in the driver's seat

It's your money, of course—but we'd like to see you make the most of it.

That's why we publish the price of the big Buick SPECIAL here—to make Point #1: you can buy this great performer for just a few dollars more than the so-called "low-price three."

But Point #2—the smart point—is this:

When you put up those few extra dollars for the Buick pictured here, you're in the driver's seat of a lot more automobile.

You boss extra power—more satisfying power—walloping Buick Fireball 8 power—highest ever found in a Buick SPECIAL.

You get extra room—a lot more comfortable room—real, man-sized, 6-passenger room—as much room as you get in cars costing hundreds of dollars more.

You enjoy extra satisfaction—more solid satisfaction—in the ride of this big, broad,

road-steady traveler that's cushioned by coil springs on all four wheels, and engineered with all the other costly features of the Million Dollar Ride.

And, speaking of extras—here you get, at no extra cost, a long list of standard equipment that most other cars at or near the price of this Buick charge you for, as "extras" on the bill of sale.

So, as we said—it's your money—and it's your move.

If you're aiming for the driver's seat of a hard-to-beat buy—for a lot less than you think—come in and see us soon.

Christian Science Group Of Canal Point

"ADAM AND FALLIN MAN" is the subject of the Lesson-Sermon to be read in Christian Science churches next Sunday.

The Golden Text is from Romans (5:18): "As by the offence of one judgment came upon all men to condemnation; even so by the righteousness of one the free gift came upon all men unto justification of life."

Jesus' statement: "As long as I am in the world, I am the light of the world" (John 9:5) is among Bible selections in the Lesson.

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include this: "The divine nature was best expressed in Christ Jesus, who threw upon mortals the truer reflection of God and lifted their lives higher than their poor thought-models would allow,—thoughts which presented man as fallen, sick, sinning, and dying" (p. 259).

The Greatest Gasoline Development in 31 Years

TCP*, a Shell discovered additive, now blended into Shell Premium Gasoline, stops the greatest cause of power loss. Acts so rapidly engine power is increased up to 15% after using two tankfuls. Continued use of Shell Premium retains this gain.

A new day in fuel for the American motorist is here—a day which, for the first time, allows him to get the full power built into his engine. The biggest cause of both fuel and power waste affecting the majority of cars on the road today has been overcome.

Prior to Shell's discovery of TCP additive, the natural by-products of fuel combustion accumulating on spark plugs and in combustion chambers caused spark plugs to misfire and the fuel-mixture to pre-ignite—especially when accelerating, hill climbing or touring on the open highway.

To overcome this condition, Shell research discovered and developed an additive, TCP. Blended into Shell Premium Gasoline, TCP additive prevents these deposits from causing misfiring of the spark plugs and, at the same time, controls pre-ignition. For the average motorist, this means a power boost of up to 15%, an increase in spark plug life of up to 150% plus an increase in miles per gallon!

Shell Premium Gasoline with TCP is the most significant motor fuel advance since the introduction of tetraethyl lead in 1922.

New and old engines benefit

If you have a new car, particularly one with a high-compression engine, Shell Premium with TCP additive is essential if you want it to keep on delivering its original power for the normal life of the spark plugs. But high-compression or not, Shell Premium with TCP keeps your engine working like new.

Owners of older cars also benefit. Even if your car has gone 30,000 miles or more, your engine can get back much of its original power by the use of Shell Premium with TCP.

Shell Premium with TCP acts fast

So rapidly does Shell Premium with TCP additive act that by the time you've finished the second tankful you'll feel your engine's had a tune-up.

Available only at your Shell Dealer's

TCP is Shell's trademark for the remarkable additive originally developed by Shell Research for aviation fuels. Until now it has been largely restricted to military aircraft.

Now at all Shell Dealer Stations.
